

BADM 455 – Quijano
3:00 p.m.-Fall, 2002

(I typed what I saw. I did not correct grammar or spelling errors.)

- *I did enjoy the group presentations. It was a little challenging but that is good.
- *I think the idea of students teaching the last half was a good idea. I learned a lot especially on my chapter.
- *Fernando did an excellent job teaching, he was always readily available if we needed help with anything. His web-site helped out a lot with informing us of changes in the class.
- *I did not get much out of the students presentation.
- *Excellent instructor.
- *Fernando is a very good teacher. He teaches his students very well and emphasizes it w/great enthusiasm.
- *Lifes a Garden. Dig It.
- *I liked his classes so much. He is an enthusiastic teacher who makes his classes interesting. I learned a lot from him. Thank you very much Fernando!!
