

ECON 300 – Quijano
2:30 p.m.-Fall, 2002

(I typed what I saw. No Grammar or spelling corrections have been made except for swearing.)

- *Fernando has plenty of knowledge of this subject.
- *Would recommend another class from Fernando. great teacher, good w/students.
- *What a lazy *?\${. Teach the course instead of worrying about yourself. I feel sorry for anyone who has to take a class from this lazy _____.
- *Fernando did an excellent job teaching this course.
- *Testing was more effective than traditional.
- *Fernando is a great teacher and I have learned a lot from all of his courses. He is one of the best teachers I have ever had.
- *Good course. Very intelligent professor-strong knowledge.
- *This class was good. The method of take home tests were effective because we had the lecture, took notes, then used the book to reinforce the material on the tests.
