Comments
Overall I really enjoyed taking this class. I appreciated the instructor's patience and effort as I was not one who caught on very easily. I believe that he has the best interest of his students in mind. Furthermore, he has the ability and knowledge regrading the content to be an effective teacher. The instructor was compassionate but knew when it make light of things and thought the class with an element of appropriate humor. Well Done!
this class was a good starter course in economics but the difficulty was more than a 100 level class
Great class, best instructor i've had in my 3 years here. I look forward to taking more classes with him.
nothing
The instructor was very prompt in posting test and assignment grades, and I as a student found that very helpful. Class time was used effectively and the course was thorough which helped better my understanding of economics.
