

Tour of Baker Boy

Baker Boy produces frozen baked goods and distributes them in many states.

We will meet at Baker Boy at 1 p.m. on Thursday, December 14, 2000 for a tour.

To get to Baker Boy, go to Villard and drive west until you see the Industrial Park sign which is about two miles west of Dickinson on Highway 10. (Be sure to take the left road where the road splits and goes to the interstate). Turn left at the Industrial Park sign and you will see Baker Boy on the right side of the road.

I expect all students to be on time for the tour.

Roger Kilwein
